## **AQUAVET® 2024 COURSE ANNOUNCEMENTS**

We are pleased to announce the *AQUAVET®* 2024 courses and related information.

*AQUAVET®* I and II will be presented at Roger Williams University in Bristol, Rhode Island. Bristol is a picture perfect New England town about 20 minutes from Newport.

### **AQUAVET® I - An Introduction to Aquatic Veterinary Medicine**

The course is designed for veterinary students and veterinarians who have an interest in applying their veterinary training to aquatic animals.

Duration: 4 weeks – May 27 to June 23, 2024

Fee: \$2,750 for full-time veterinary students, although a program benefactor will pay \$200 for each student, bringing the cost down to \$2,550. This includes tuition, room and most meals.

### **AQUAVET® II – Comparative Pathology of Aquatic Animals**

The course is oriented toward the pathology of vertebrates and invertebrates commonly used as laboratory animals, encountered in display aquaria, and of importance to aquaculture enterprises.

Duration: 2 weeks – May 27 to June 9, 2024 – Prerequisite: *AQUAVET®* I

Fee: \$1,665 for full-time veterinary students. This includes tuition, room and most meals.

### **AQUAVET® Summer Research Fellow (one offered)**

Fellows pay no tuition for the 8 weeks of the research program itself and will be reimbursed for room and board expenses. In addition, research student will receive a stipend of \$3,800 for the research period.

Duration: 8 weeks following *AQUAVET®* I – Prerequisite: *AQUAVET®* I

Venue: Laboratory at Cornell University

Detailed information about the courses is available on our website. The specific course programs for each course in 2023 are also listed there.

Applications for admission are due by January 15, 2024. The application is available on our website. You will receive an e-mail acknowledging receipt of your completed application and supporting materials.
