**Workshop Overview:**

The 6<sup>th</sup> annual CL Davis DVM Foundation Marine Species Histopathology Workshop will be held in conjunction with the IAAAM conference in Atlanta, Georgia this year.

This workshop will include a keynote lecture related to pathology in general and as applied to aquatic species (keynote speaker TBA). The rest of the day includes interactive presentations of clinical cases with pathology including histology. Workshop participants are encouraged to submit a case for presentation – but presentation is not required. Come and discuss some of the important questions in aquatic animal pathology. We welcome cases related to invertebrates, fishes, aquatic birds, and marine mammals.

All participants receive DVDs of the scanned histology slides and the case write up materials. Workshop registration includes materials, morning and afternoon breaks \*\*\*as well as lunch!\*\*\* All IAAAM members are invited to attend. Registration is limited to 50 participants and cost per person is \$150.
